

13th – 15th December 2012 – Science Exhibition

Central Zonal Level Science Exhibition was organized by Directorate of education, Delhi from 13th – 15th December 2012 at Science Centre no-2, Vasant Vihar, Delhi, school from different zones participated in it. There were different sub themes and in each sub theme around 20 models were displayed by students of different school. Mr. N. C. Vajpeyi (Director SCERT) was the chief guest of the programme. Our School had participated in the 'Natural Resources and Their Conversation' sub theme. The name of our model was 'Eco Friendly Home'. This model is made by student of our school. Divyansh Malhotra (X-A) and Prithvi Raj (X-A). Our school model was appreciated by various visitors, teachers and also by judges. They gave us some valuable suggestions. Our model was selected for the State Level Science Exhibition to be held on 18th - 20th December 2012. Our students were awarded trophies and certificates.
