

2012-13 - INTERNATIONAL OLYMPIADS

Our school aims at enabling students to reach at a competence level where they are at par with everyone else. They acquire a platform to set their own pace and to select the level of challenge so that they feel comfortable in this tech savvy world. To test student's proficiency in different subjects 'International Olympiads - 2013' (IEO, ISO, IMO & IIO) were organized in our school in collaboration with 'Silver Zone'. Our students have done extremely well. We feel proud to state the result of our young achievers:

The following are the meritorious performers of the 1st level who have qualified for the second level of International Silver Zone Olympics.
