Online Learning Resources

Dear Parent,

Date: April 2, 2020

In the wake of the current scenario the Government of India in association with 9 National Coordinators including CBSE, UGC, NPTEL, NCERT, etc is promoting online teaching modules and solutions. These solutions have several audio-visual aids along with assignments and quizzes (based on NCERT books and CBSE curriculum) that can help your child learn while at home.

You are requested to encourage your ward to go through these online learning resources in addition to the resources being uploaded by the school.
