Circular No.:-SGS/Admn./259/2016

Classes:-VI to XII

Subject: No mobile phones and mopeds, scooty & motorbikes to school

Dear Parent

Inspite of the existing Model Code of Conduct in practice, the cases of indiscipline and misbehaviour on the part of students are on rise which can lead to severe consequences if not dealt with strictly and now. Therefore keeping in view the gravity of this problem and in accordance with the circular issued by the DOE, the school will strictly follow and not permit the carrying of:

- Mobile Phones
- Motor bikes, Mopeds & Scooty

to school **01 December 2016** onwards.

The students have already been apprised of this ruling and any student still found in possession of a mobile phone will be liable to strict disciplinary action and his mobile will be confiscated permanently.

Also, the school will not provide parking space and not bear any responsibility of the safety of any vehicle other than bicycles.

Enforcing any rule has to be a joint effort by the school and parents. Looking forward to your whole hearted support and cooperation.

Warm Regards

Sumana Dutta Sarkar
Head of School
