

SACHDEVA
GLOBAL SCHOOL**Thursday, 03 August 2017**

Circular No.: -SGS/Admn./ 011-A/2017-18

Classes:-Buds - II

Subject: Administration of De-worming Tablet

Dear Parent

As per the directions received from the Ministry of Health & Directorate of Education, all the schools of Delhi region are requested to administer tab. Albendazole 400mg (Glaxo Smithkline), as an initiative to deworming the children.

The single dose in the tablet form would be given to the students of classes Buds-II on Thursday, 10 August 2017 in the school premises by the qualified school medical staff. In case any child is absent on 10 August, the medicine will be administered to him/her on Thursday, 17 August 2017. As per the ministry of Health, and GNCT of Delhi the tablet is totally safe for the students. Since the medicine cannot be given on empty stomach, you are requested to kindly ensure that your ward eats something before coming to school.

Please note that the medicine cannot be administered to the children who complain of stomach ache / vomiting on the day of administration or the children who have history of allergy, asthma or are under any other medication.

Kindly fill in the consent form intimate any reservations you may have for the same and send to the class teacher latest by 4 August 2017

Warm Regards

Sumana Dutta Sarkar
Head of School
