Circular No.:-SGS/Admn./003/2017-18

Classes:- VI – IX

Subject: Mun Workshop

Dear Parent

In this era of globalization, Model United Nations, more commonly referred to as MUNs have proved to be a fun way of generating awareness about international issues. In addition, they foster the spirit of research along with building decision making, public speaking and leadership skills.

With the view of harnessing the above, the MUN club has been started in this session for students of classes VI to IX. To further direct the students in the same direction, a special MUN workshop will be conducted by professional MUN trainers over a span of two consecutive Saturdays (Five hours each day). The itinerary of the workshop will be as follows:

Day 1 :

- Introduction to UN and Model UN
- Rules and Procedures
- Mock Drill
- Allotment of country / issue to each student individually

Day 2 :

- Mock MUN

The students will be provided support and guidance by the school teachers during and between the workshops for optimum learning.

The one time cost of this workshop will be Rs. 600/- per student. You are requested to send in your consent along with the fee latest by Tuesday, 25 July 2017.

Regards

**Sumana Dutta Sarkar
