Subject: Automation Workshop

Dear Parent

In our endeavours to take learning beyond the walls of the classroom, we plan to conduct an automation workshop for students of classes IX – XI. Trainers from Bagheera (an initiative by young and enthusiastic entrepreneurs from IIT and NSIT) will hold classes for the students and will train them to automate electronic systems by using programmable hardware.

HIGHLIGHTS:

1. The workshop will be conducted over a period of 6 sessions each of 2-3 hrs.
2. The sessions will be held on Saturdays within the school premises starting August 25, 2018
3. All the hardware required for the training will be provided by the school
4. The student will pay a training fee of Rs. 1500/- for the workshop

We look forward to your support and cooperation towards making this workshop a success. Please send in the training fee in cash by Thursday, 23 August 2018.

Warm Regards

Sumana Dutta Sarkar
