Circular No.: -SGS/Admn./044/2018-19

Classes :- Buds to IX & XI

**Subject: "Spread the warmth-Joy of Giving" (Social Initiative)**

Dear Parent

In our continued endeavor to sensitize students towards relevant social issues and to engage and involve them in meaningful activities, our school, in association with HT PACE, is pleased to announce 'Spread the warmth- the Joy of Giving'- a woolen collection drive. Motivated by your continuous, generous and selfless support we have been successful in reaching out and helping many underprivileged and needy.

This year too, winter is setting in and this is a crucial time for extending help. As the weather is becoming progressively harsh and difficult, you are requested to participate in this noble drive and donate woolen clothing.

Looking forward to a generous contribution from your end.

Warm Regards
