Circular No.: -SGS/Admn./008/2019-20

Subject : Red Cross Badge

You will appreciate through the long association you have had with the school, that at Sachdeva Global School, we are extremely sensitive about any medical issue of any student and try to deal with it with as much promptness and care, as possible. Continuing in the same endeavour, we want to ensure that any student, who has any serious ailment/ medical history, should be given medical attention, whenever required, without any delay.

You will also agree that it is not practically possible to make each and every staff member aware of the individual case of every such student. Hence, to ensure that students who need immediate special medical attention, (and also need to be exempted at times from the rules which are otherwise mandatory to maintain proper discipline) can be identified without any delay, we use a Red Cross Badge. The student will need to wear it on his/her uniform, every day. We at our end will sensitize the staff about the significance of the Red Cross Badge and the modalities of dealing with a student wearing that badge.

Needless to mention, we need your complete support and cooperation to make this endeavour successful.

In case you have any further queries, you may visit the School Nurse at the Medical Room.

The consent form needs to be filled and submitted to the class teacher, latest by Monday, 15 April 2019, after which badges will be issued.

Together, looking forward to a safe and secure future for every child,

Warm Regards

Sumana Dutta Sarkar
Head of School
