Classes :- Buds-X

Subject : Contribution towards Martyrs of the Nation

Dear Parent

Veterans India (www.veteransindia.com) is a registered organization led by ex-servicemen. The sole motive of the organization is to spread nationalism and patriotism in the country for nation building. Apart from that this organization also looks after the interests of the families of our comrades who have achieved martyrdom in the service of the nation. For this purpose, Veterans India have initiated a donation drive.

In our endeavor to sensitize students towards relevant social issues, we would like to encourage our students to participate in this voluntary donation drive by contributing whole heartedly towards the cause. The donations may be sent in cash or cheque (drawn in favour of Veterans India Martyr's Fund). Any donation in cash should be sent with a diary note to the class teacher.

Warm Regards

Sumana Dutta Sarkar
Head of School
