

MARKING SCHEME FOR SUBJECTS

SUBJECT (TOTAL MARKS)	DIVISION OF 50 MARKS OF EACH TERM	DETAILS OF INTERNAL ASSESSMENT/PRACTICAL/PROJECT WORK
English (80 + 20)	40 Marks test+10 marks internal assessment	Term I : Assessment of listening and speaking skills-10 marks Term II: Project Work + Viva – 10 marks
Mathematics (80+20)	40 Marks test+10 marks internal assessment	Term I : Periodic Test- 05 Marks Maths Activity-Activity File Record + Term End Assessment of one activity and viva-05 Marks Term II : Periodic Test- 05 Marks Maths Activity- Activity File Record + Term End Assessment of one activity and viva- 05 Marks
Accountancy, Business Studies, Economics (80+20)	40 Marks test+10 marks project work	There would be only ONE project for the session. The project work would be divided into two parts i.e. Term I (10 marks) and Term II (10 marks) (as detailed in the Term-wise curriculum for the purpose of examination)
Physics, Chemistry, Biology, Computer Science Physical Education Geography, Psychology (70+30)	35 Marks test+10 marks practical	Practical assessment, file/project and viva would be divided into two terms i.e. Term I(15 marks) and Term II (15 marks) (as detailed in the Term-wise curriculum for the purpose of examination)

Given the changed format, it is imperative that students remain regular with their academics throughout the year to ensure greater understanding of concepts and development of core competencies. In addition to this, your ward needs to maintain minimum 75% attendance as per CBSE guidelines in order to become eligible for appearing in the examinations.
