### Class IX and XI Annual Examinations

Dear Parents

In this unprecedented year, the routine and regularity which schools offers in the lives of students in all spheres have taken a back seat. While students have been studying diligently in online classes, it would be in the greater interest of your ward to appear for offline examinations before he/she moves to the next class since it would be the year where they will face Board Examinations.

The school has made all sanitization arrangements as per the Government guidelines and all CAB guidelines will be followed during the offline exams whereby only 15 students will be seated in a class following all social distancing protocols. However, taking into consideration the concerns of a few parents regarding offline examinations during the ongoing pandemic, we give the facility to your ward to appear for either offline or online examination. Kindly exercise your choice and submit the consent to the class teacher by Monday, 15<sup>th</sup> February, 2021, 11.00 a.m.

Regards

Head of School
