PARENTAL CIRCULAR- Class XI

Dear Parent,

The academic year is coming to an end and the children are close to achieving another milestone in their lives. At this time, our children need our full support and guidance to help them achieve their full potential.

The hurdles posed by the COVID 19 pandemic did not deter the students from expressing their full talent. The curriculum in 2020-21 provided ample opportunities to the students to showcase their creative talent in academics as well as co-curricular activities. Literary and craft activities, Inter-school competitions, celebrations of special weeks and various festivals – all gave the students a platform to learn and enjoy through online interactive mode, thereby helping them to discover new mediums of expression.

The examination time is the culmination of all the hard work our children have been putting in throughout the year and during this time the parents should put everything else on hold for a short while. Though the round-the-year planning is crucial, yet the last minute time management is also very important. It is time to keep our own and our children's morale high and create for them an atmosphere of hard work and success.

As role models for your children, it is imperative that you keenly observe your ward during the examination in case he/she is appearing for the exams online. Please ensure that he/she follows all rules and regulations with absolute integrity and honesty along with keeping their camera ON and mic OFF. Your diligent monitoring of your ward's activity is crucial for the success of the annual examinations.

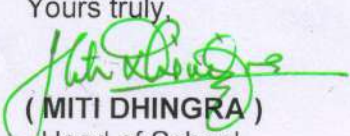

The new session commences on **WEDNESDAY, 24th March, 2021**. The students will enjoy a break from 16th March 2021 to 23rd March, 2021 which should be used to relax and to get ready for the next session. Following is the schedule for discussion of Answer sheets and Online PTM :

Yours truly,
