Subject: Second Language Option Form (Session 2021-22)

Dear Parent

As your ward will be in Class – IX in the upcoming session 2021-22, he / she will now be required to study only two languages. While English is compulsory, there is an option for the second language between the following:

- Hindi
- Sanskrit
- French

Please Note:

1. All students are eligible to opt for 'Hindi' in Class – IX as they have studied it till class VIII.
2. A student may opt for Sanskrit or French in Class IX only if he/she has studied the language till class VIII. However, Sanskrit / French will be given as a subject of study, subject to condition that minimum 10 students opt for the language.
3. For students opting for Sanskrit / French as second language, an additional language Hindi may be opted for, for which examinations will be conducted and marks will be reflected in the progress report. These marks will not add up to the annual evaluation of the student.

Please fill in the attached form and upload the same in your ward's Google Classroom latest by Saturday 23, January 2021 after considerable deliberations as no changes to the same will be entertained once the consent is submitted.

Please note that the language will be allotted to a student on the basis of his / her performance as well as %age in the language opted for.

Warm Regards

Miti Dhingra
Head of School
