PARENTAL CIRCULAR – STORY TELLING SESSION
CLASS III

Dear Parent,

“Storytelling is the most powerful way to put ideas into the world.”

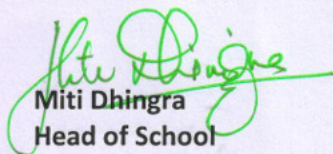

Children love stories. Stories are magic; they can create other worlds, emotions, ideas and make the everyday seem incredible. When told to children at an early age, stories help develop logical thinking, writing skills, memory, imagination and can ignite their inspiration for creative writing.

Keeping this in consideration and continuing with our activities for ‘**CELEBRATION OF READING WEEK**’, the school is organizing a **STORY TELLING SESSION** for the students of **class III** on **Monday, June 28, 2021** at **9:00 am** by **Ms. Ritu Vasu Primlani**, a celebrated speaker, environmentalist and Associate Professor (IIT, XIMB, University of Michigan, USC).

Invite for the session will be sent a day prior to the students via mail.

Looking forward to whole hearted participation.

Regards

Miti Dhingra
