PARENTAL CIRCULAR - CLASS X

STREAM OPTIONS FOR CLASS XI, SESSION 2021-22

Dear Parent,

You are well aware that the students have to opt for a stream of their choice at the Senior Secondary Level. The school offers three streams - Science, Commerce and Humanities.

Kindly exercise your choice of stream for the academic year 2021-2022, by **22nd March, 2021**, keeping in mind your ward's previous performance and aptitude. In view of the current scenario, the provisional allocation of the stream in the next session will be decided by the school authorities on the basis of results of Pre-Board II Exams and Class IX, 2020, Annual Result.

The school's decision on cut off percentage for each stream will be final and binding. Any further change in allocation will be considered, on parent's request, only after declaration of Class X Board Exam results, based on the final performance of the student and percentage obtained. Kindly ensure that your ward is regular in studies and works hard to perform well in the ensuing Class X Pre-Board II Examinations, in order to get the stream / subjects of his/her choice.
