SUBJECT: Subject Choice Mathematics Standard/Mathematics-Basic

Dear Parent,

As per the National Curriculum Framework (NCF 2005), the CBSE (in the year 2019-http://cbseacademic.nic.in/web_material/Circulars/2019/03_Circular_2019.pdf) introduced two levels of examinations for Mathematics (for Class X students ONLY) to cater for different kinds of learners and allow different levels of assessment to reduce the overall stress levels for students who do not wish to pursue Mathematics in higher classes.

Following are the details of the above scheme:

- The two levels of Examination will be held in the subject of Mathematics in the Board examination for Class X (ONLY). The same shall not be applicable to the internal assessment in Class X.
- The nomenclature for the two Examinations will be; **Mathematics-Standard (Subject Code- 041)** for the existing level of examination, and **Mathematics-Basic (Subject Code- 241)** for the easier level of examination.
- The syllabus, class room teaching and internal assessment for both the levels of examination would remain the same.
- Students can decide upon the level of Board examination depending upon their aptitude and abilities at the time of CBSE registration.
- The **Standard level** will be meant for students who wish to opt for Mathematics at Senior Secondary level and the **Basic level** would be for students not keen to pursue Mathematics at higher levels.
- A student who qualifies the **Mathematics-Basic (Code- 241)**, may (optional) decide to appear in **Mathematics-Standard (Code- 041)** at the time of Compartment exams (as per norms of the Board), in case he/she changes his/her mind to pursue Mathematics at Senior Secondary level.
- In case student fails at any level of Mathematics, he/she can appear at the compartment examination as per norms of the Board according to the options given below:

In case of failure in	Compartment options
Mathematics -Basic	Mathematics -Basic
Mathematics-Standard	Mathematics Standard or Mathematics- Basic

You are requested to choose between Mathematics- Basic (241) and Mathematics- Standard (041) for your ward's Class X Board registration for the session 2025-26. Your consent will be final and binding.
