ANNUAL RESULT (2025-2026)

Dear Parent

As we approach the culmination of the Academic Session 2025-2026, it's the perfect time to reflect on the remarkable milestones our students have achieved over the year. This period has been rich in growth and learning, and we take immense pride in the commitment and effort demonstrated by each student.

With the Annual Examination set to commence in February 2026, it's essential to shift our attention to focused preparation. These exams are not just assessments; they are a testament to the knowledge and skills our students have cultivated throughout the year.

We are confident that with the right guidance, encouragement, and a balanced approach to health, our students will be well-equipped to succeed in their final assessments. We extend our best wishes to them as they embark upon this critical phase of their academic journey.
