

**CLASS- BLOOMS**

**SUMMER HOLIDAY HOMEWORK  
(2022-23)**

Dear Students,

-  You matter to us the most and we all Miss You!!!!
-  Stay safe
-  Be kind to your family
-  Get creative

**“This too shall pass and we will pick up right from where we left off!!!”**

“Sunny  days are shiny days. It’s time to relax and rejuvenate. Relishing lemonades and watermelon, giggles with everyone and your mate. Pillow fights, squashes and ice-cream, an enjoyment of chilled out treats. We will enjoy our summers with a twist, as precaution and safety is on the to- do- list. This time the vacation is a little different. For our safety, we should stay at home with our parents. We pledge to maintain distance, wash hands and wear mask, whenever required.

**SOME USEFUL SUGGESTIONS TO BE KEPT IN MIND:**

- Spend quality time with your child.
- Converse with your child in English.
- Encourage your child to be independent.

### GENERAL INSTRUCTIONS:

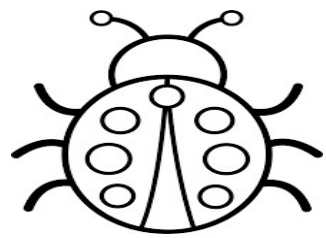

- Holiday Homework will be graded.
- Ensure that the holiday homework is completed by the students themselves. Parents should only act as a guide in completing the work.
- The worksheets are based on what the children have learnt in April-May and will form the base for topics to be covered in July.
- Holiday Homework must be completed neatly as per the given instructions and school script should be followed while doing written work in all the subjects.
- All worksheets must be done using **pencil** only.
- The print out of the worksheets may be taken out / designed on a plain A-4 size sheet.
- Last date of submission of Holiday Homework is **Friday,08.07.2022**.

## LEARNING BY DOING

“The best way of learning about anything is by doing”

### ENGLISH

Using clay dough of different colours, make two letter words ‘at,’an,’he,’we,’it’ and ‘in’. Place it on a white A-3 sheet. The sheet should be submitted after lamination.

### MATH

Make a wall hanging depicting numbers from 1-10 using pastel/handmade/sheet etc. Display your creativity by decorating it with waste materials like newspapers, pistachio shells, pencil shavings etc.

### GENERAL AWARENESS

Collect pictures of your favourite fruit, vegetable, colour, game, food, cartoon character, place etc and paste it on a scrap book.

**Note-** Paste your photograph on the front page of the scrap book and give a suitable name to scrapbook.

### COMPUTER

Using a square/rectangular shape box, create a model of computer desktop along with keyboard and a mouse. Place it on an A-3 size sheet.

## ART AND CRAFT ACTIVITIES

Art is a natural activity to support free play in children. The freedom to manipulate different materials in an organic and unstructured way allows for exploration and experimentation. These artistic endeavours and self-directed explorations are not only fun, but educational as well. Art allows children to practice a wide range of skills that are useful not only for life, but also for learning.

### Activity 1 – Pasta Photo Frame

#### Material Required:

- Cardboard
- Pasta
- Acrylic colours
- White pastel sheet
- Brush
- Fevicol/Glue

#### Method:

**Step 1.** Draw out the size of frame you would like to make. Keep in mind the photo you plan to use in frame.

**Step 2.** Cut out the frame. use cardboard for the frame. (Cutting can be done by parents)

**Step 3.** Colour the pasta using acrylic colours.

**Step 4.** Spread out the pasta on the frame using fevicol.

**Step 5.** Make a backing board by tracing the inner outline of your photo frame with White pastel sheet. Stick at the back of the frame

**Step 6.** Paste the photo that fits inside the frame. Place the frame on a table or let it lean against the wall.

## Activity 2 – Tree of Thanks

### Material Required

- Brown construction paper
- colourful paper
- Sketch Pen
- Glue stick
- scissors

### Method:

**Step 1.** Draw the outline of a tree trunk on brown paper

**Step 2.** Trace hand on coloured paper.(These will be the leaves)

**Step 3.** Cut all the trace hands. (Total Hands = 8 numbers) (Cutting can be done by parents)

**Step 4.** Stick the cut hands shaped pieces on the tree like leaves.

**Step 5.** Write the things you are thankful for in each hand.

**You are ready with your Tree of Thanks!**

### VIRTUAL TOURS

Virtual field trips allow children to travel the world and explore natural environment without leaving the classroom.

**Let's start the adventure here!!**

- Have you ever wondered how big space really is? It's huge. In fact, it's astronomical! A great way to learn about the space is to take a tour of a scale model of our solar system. Click on the link to start the tour.

<https://youtu.be/w36yxLgwUOc>

- An environment is where people and animals live, function, and go about their daily tasks. Different organisms have unique environments to which they adapt over time. Click on the link to start the tour.
