Dear Students,

Holidays are always a welcome break from the normal routine and we all look forward to them. It gives us the opportunity to pursue all those activities that we enjoy but never find enough time to indulge in. But dear students, there is a lot more you can do by which you can make your holidays fun and learning at the same time.

- Follow CAB (Covid Appropriate Behaviour) wherever you go and be safe.
- Drink a lot of water/juices and eat healthy food.
- Plan some outdoor and indoor games.

- Help parents in small household chores like dusting of the house and watering the plants.
- Reading from colourful illustrated story books will develop your language skills.
- Use the golden words ‘sorry’, ‘please’, ‘thank you’ and ‘excuse me’ extensively.
- Last but not the least – ‘Speak in English with your family members and friends.’

“SUCCESS IS THE SUM OF SMALL EFFORTS REPEATED DAY IN AND DAY OUT”.

You can draw or paste pictures of the new word that you have learnt. Do not forget to write the meaning of the words chosen so that it can benefit the other students, too, in building their vocabulary.
