SUMMER HOLIDAY HOMEWORK  
(2024-25)

SACHDEVA GLOBAL SCHOOL, DWARKA

Children are amazing...cherish them  
 They are believable...  
     trust them  
 They are childlike...  
     let them  
 They are energetic...  
     nourish them  
 Here now, be with them...  
 Innocent, delight in them...  
 Magical, fly with them...

Let's engage our children during the summer vacations in some fun-loving and learning activities which are specially designed to reinforce essential skills learnt at school and to help the students establish regular habits. It's an opportunity for parents to be part of their learning process.

## BONDING TIME

- Exercising together
- Making bed together
- Cleaning together
- Helping in kitchen
- Showing gratitude

## SHADOW ACTIVITY

- Let every child experience the delight of playing with the shadows during different times of the day by making different postures.

Me and My Shadow

## MUSIC OF NATURE

- Let's listen to the sounds of birds in the early morning and distinguish between the different sounds.

## LOVE FOR NATION

- Discuss with the children about their country INDIA- national flag, symbols and states etc.

## GENERAL AWARENESS

### EK BHARAT SHRESHTA BHARAT

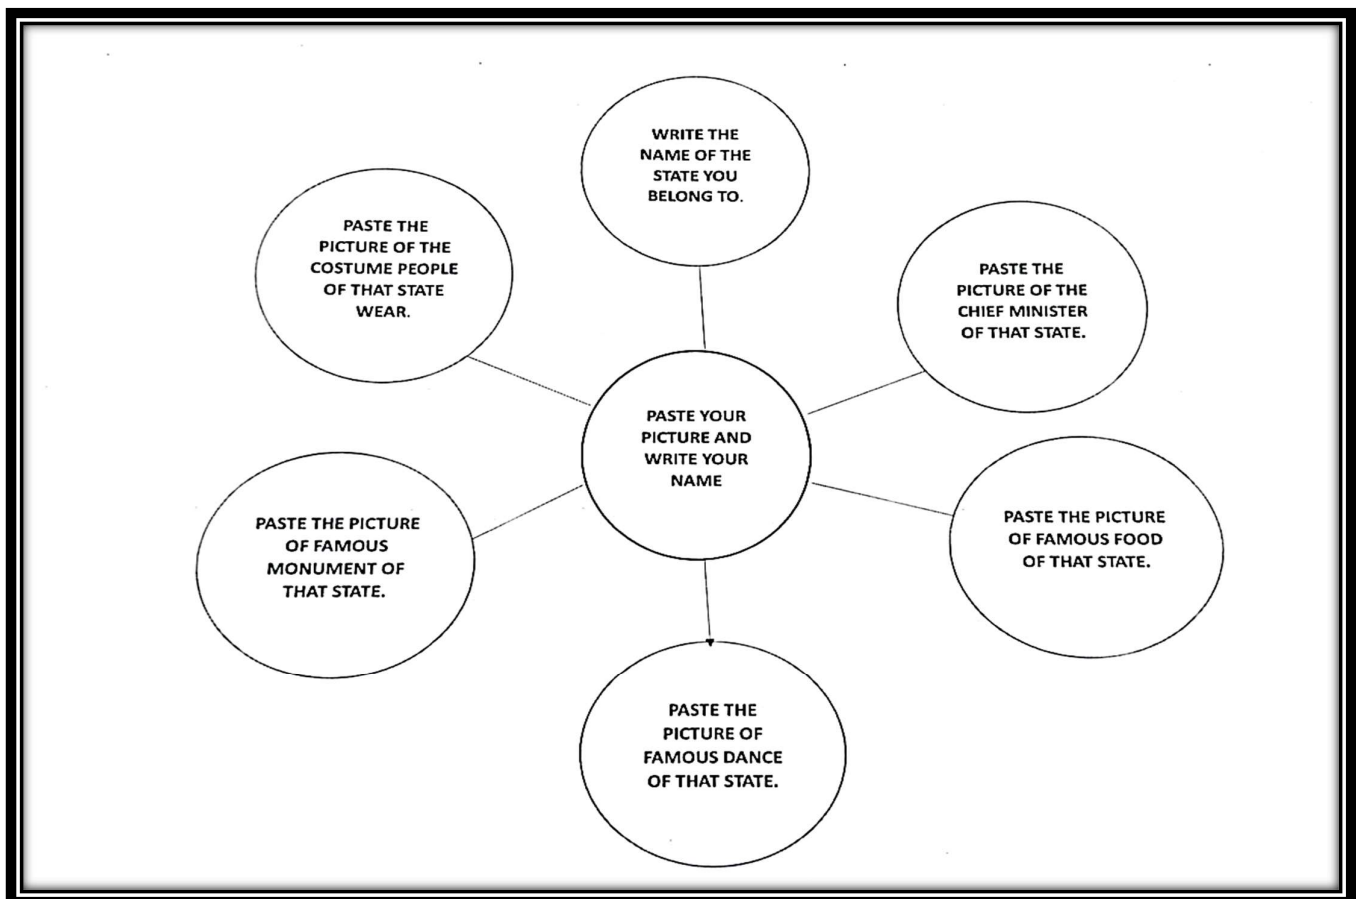

To celebrate Unity in Diversity of our Nation and to educate students about their culture the following activity has been designed wherein students have to create a model of the state they belong to by pasting pictures and writing names.

#### **Materials Required:**

- A-3 size Pastel sheets/ Ivory sheets
- Ice-cream sticks/kulfi sticks
- Glue
- Scissors
- Photographs
- Sketch pens

#### **Instructions-**

Use A-3 size sheet as a base to paste circle/square/heart shape cut outs (made using pastel sheets) as shown in the image shared below. Inside the cut outs paste images and label them as mentioned below. For joining the cut outs ice- cream sticks can be used.

## ART AND CRAFT ACTIVITIES

Art is a natural activity to support free play in children. The freedom to manipulate different materials in an organic and unstructured way allows for exploration and experimentation. These artistic endeavors and self-directed explorations are not only fun, but educational as well. Art allows children to practice a wide range of skills that are useful not only for life, but also for learning.

### 1. Activity 1 – Wall hanging
