

CLASS – III	HOLIDAY HOMEWORK (2025) THEME-EMBRACING NATURE
-------------	---

Dear Children,

Summer holidays are a time for fun, rest, and new adventures! They give you a wonderful chance to spend time with your family, explore your interests, and enjoy the sunny days. To keep your minds active and creative during the break, we have prepared some exciting and interesting holiday homework.

This homework is designed to help you revise what you have learned, discover new things, and enjoy learning in a fun way. We encourage you to complete the activities with interest and imagination. Remember, learning never stops, and every small effort you make brings you closer to success!

This summer break, try and make a difference. Children should-

- **Appreciate Nature** – Adopt or grow a plant.
- **Unravel the Artist in them** - Create a new story, try a new recipe with elders, learn new songs, play a new instrument.
- **Spend Time Outdoors** – Go for morning walks, play in parks, and enjoy fresh air.
- **Plant a Tree** – Grow flowers, vegetables, or herbs at home.
- **Observe Nature** – Watch birds, butterflies, and learn about different plants and animals.
- **Save Nature** – Contribute to save our precious environment. Minimize the wastage of resources like water, fuel and electricity.
- **Work on Language Skills** - Read story books and improve your vocabulary.

General instructions:

- The work should be done systematically, neatly, creatively and presented colorfully.
- Follow the instructions carefully.
- Originality of the work will be appreciated.
- Project work has been allotted roll no wise making it only one project per child throughout the subjects. All your activities should be neatly labelled with your name, class and section clearly mentioned.

Kindly submit your holiday homework as per the dates allotted for each subject.

Enjoy your summer vacations!

ENGLISH

General Instructions:

- Work should be done systematically as per the given instructions.
- Q1- Project (It has been allotted Roll no wise)
Q2, Q3, Q4 and Q5 (Compulsory for all students)
- The written work is to be done in the Expression Notebook.
- Date of submission: Thursday, 03.07.2025 .

1. PROJECT

a) Roll no. 1 to 7

Students will create a big wall-hanging tree using natural materials like flowers, fruits, leaves, sand, roots, twigs, and seeds. Each part of the tree should be labelled with a small pop-up message describing its function—for example, “Roots – Help absorb water,” or “Leaves – Make food using sunlight.” Students will highlight nouns used in these labels and descriptions, using different colours to show **common nouns, proper nouns and adjectives**. A reference link has been shared to give you ideas and inspiration.

b) Roll no. 8 to 14

Students are required to create a **scene of a railway station** as a project activity. They will design a **freight train (Mal Gadi)** with different **coaches** labeled with the **parts of speech**—for example, Nouns, Verbs, Adjectives, etc. Students will also prepare **word cards** (playcards) with different words written on them. The task is to identify the correct part of speech and place each word card in the **appropriate coach**. For instance, a card with a noun will be placed in the coach labeled “Nouns.” A reference link has been shared.

c) Roll no. 15 and 20

Students will create a comic book on the theme "**Embracing Nature**", showing characters exploring and discussing the importance of nature. Use fun scenes like planting trees, saving water, protecting animals, or learning how trees help us. Include dialogues, drawings, and short messages. Be creative and highlight the value of caring for our environment!

2. Holidays are the best time for self-practice and self-improvement.

Let's learn and practice the school script

- Write 10 pages of English writing following the school script. Writing practice is to be done in **Expressions**. (The School script is available on English Google Classrooms)

3. Creative Writing (Expressions):

- Read the lesson 'Talking Toys' (Santoor, Ch-5) and write a short paragraph on your favourite toy. Illustrate beautifully.
- Picture Story - Look at the pictures on Pg 60 of your English book Santoor. The pictures tell an interesting story. Use your imagination and write the story in your own words. Let your creativity shine as you bring the pictures to life through your writing. Also illustrate your story.

4. Recitation:

Reading rhyming poetry out loud makes it easier for young students to learn new words. When reciting poetry, students are given the freedom to express feelings to their audience. It makes learning interesting and helps them use words to make an impact.

Learn and recite the following poems:

- Colours (Santoor, Ch -1)
- Is the Moon Tired? (LR, Ch - 9)

5. Reading:

“BOOKS ARE OUR BEST FRIENDS AND READING IS FUN.”

Students to read the books mentioned below during the holidays-

- Charlotte's Web by E.B. White
- The Magic Drum and Other Favourite Stories by Sudha Murty

***NOTE- Post-vacation worksheets will be shared with students to review their learning and insights from the books, 'Charlotte's Web' and 'The Magic Drum and Other Favourite Stories'.**
