

CLASS – V	HOLIDAY HOMEWORK (2025) EMBRACING NATURE
-----------	---

Dear Children,

Summer holidays are a time for fun, rest, and new adventures! They give you a wonderful chance to spend time with your family, explore your interests, and enjoy the sunny days. To keep your minds active and creative during the break, we have prepared some exciting and interesting holiday homework.

This homework is designed to help you revise what you have learned, discover new things, and enjoy learning in a fun way. We encourage you to complete the activities with interest and imagination. Remember, learning never stops, and every small effort you make brings you closer to success!

This summer break, try and make a difference. Children should-

- **Appreciate Nature** – Adopt or grow a plant.
- **Unravel the Artist in them** - Create a new story, try a new recipe with elders, learn new songs, play a new instrument.
- **Spend Time Outdoors** – Go for morning walks, play in parks, and enjoy fresh air.
- **Plant a Tree** – Grow flowers, vegetables, or herbs at home.
- **Observe Nature** – Watch birds, butterflies, and learn about different plants and animals.
- **Inculcate Good Manners** - Respect parents, grandparents and all elders. Use three magical words (Sorry, Please and Thank you) often. ‘A little more courtesy goes a long way.’
- **Save Nature** – Contribute to save our precious environment. Minimize the wastage of resources like water, fuel and electricity.
- **Work on Language Skills** - Read story books and improve your vocabulary.

General Instructions:

- The work should be done systematically, neatly, creatively and presented colourfully.
- Follow the instructions carefully.
- Originality of the work will be appreciated.
- The written part should be done neatly in your own handwriting.
- All your activities should be neatly labelled with your name, class and section clearly mentioned.

● **Kindly submit your holiday homework as per the dates allotted for each subject.**

Enjoy your summer vacations!

ENGLISH

General Instructions:

- Work should be done systematically as per the given instructions.
- The written work and handwriting practise is to be done in the Expression Notebook.
- Activity 1 and 2 are allotted roll number wise.
- Activity 3 is compulsory for all.
- Date of submission is 3rd July, 2025

1. Let's enhance our creativity and writing skills

● Roll nos. 1 to 5

Create your own *nature-themed jigsaw puzzle*! Draw a nature scene, cut it into 8–10 puzzle pieces, and write one sentence of a story on the back of each piece. Once solved, the puzzle should reveal a complete short story about nature. Add a title and a message or moral at the end.

● Roll nos. 6 to 10

Redesign a Book Cover -This holiday, let your imagination shine! Your task is to redesign the cover of your favourite book.

Instructions:

Choose a book – It can be a storybook or any book you like.

- On an A4 sheet, **create a new front cover** for the book.
- Your cover must include:
 - **Title of the book**
 - **Author's name** (you can write your own name if it's your creation)
 - **A picture or illustration** that matches the theme.
 - A short **tagline** or **quote**
 - Introduction to the content
- Use **colors, creativity, and neat handwriting**.

● Roll nos. 11 to 15

Prepare a magazine advertisement for a trip to '**Sikkim**' and discuss its various features.

- You can mention the names of the places (tourists can visit), fun sports, famous food items,
- Dresses of people living there, culture, etc. Use adjectives to describe these. For example:
- Scrumptious Bamboo Shoot (food item), Humble People, Vibrant Dresses, etc.
- Paste relevant pictures. You can add one liners/facts at the bottom. Make your advertisement unique, colourful and interesting

● Roll nos. 16 to 20

Students will create a Pictorial Dictionary where you can learn new words and show your creativity through drawings and pictures. It's a fun way to build your vocabulary!

What You Have to Do:

- **Choose 25 to 30 nature related words**
- **Arrange them alphabetically** .
- **Draw or paste a picture** for each word – You can use your own drawings, cut-outs from magazines, or print pictures.
- **Write the meaning** ,form 1-2 simple sentences.
- Use **colors and creativity** to make your dictionary attractive and fun.
- **Put all your pages together** in a file or bind them to make your own mini-book!

<https://www.youtube.com/watch?v=SJQmNE2lztS>

2. Creative Writing (Expressions):

● Roll nos. 1 to 20

Artists often use their free time to find inspiration, refine their skills and explore new techniques. The poem 'I am an Artist' (CB, Pg.101) highlights the creative aspect of an artist and his work. Write any three activities that you like to do in your free time and illustrate them beautifully.

● Roll no. 21 onwards

A Letter to Future Earth

It is a creative writing task where students imagine they are writing a heartfelt letter to planet Earth 50 years in the future. In this letter, they express their hopes, dreams, fears, or regrets about how the environment might change over time. They may reflect on whether the Earth is still green, whether birds still sing, or whether nature has been preserved or destroyed. Using descriptive and emotional language, students can describe what they love about the Earth today, share memories, and encourage future generations to protect it.

3. Handwriting Practice

Let's practice the school script

Write 10 pages of English writing following the school script.

4. Suggested Readings

- *The Blue Umbrella* by Ruskin Bond
- *Matilda* by Roald Dahlia

***NOTE-** Post-vacation worksheets will be shared with students to review their learning and insights from the books, '*The Blue Umbrella*' and '*Matilda*'.

हिंदी

सामान्य दिशा निर्देश :

- सुलेख का कार्य अभिव्यक्ति फाइल में करें।
- कार्य ध्यानपूर्वक सुंदर लेख में करें।
- अंतिम देय तिथि- 09.07.25

प्रश्न 1.

● अनुक्रमांक 21 से 25 तक-

कविता एक ऐसा तरीका है जिससे हम अपने मन के भावों को छोटे-छोटे, मीठे और तुकबंदी वाले शब्दों के माध्यम से व्यक्त करते हैं। कविता में बोलने का एक मधुर ढंग होता है। कविता में खुशी, दुख, प्रेम, देशभक्ति, प्रकृति, बचपन आदि की भावनाएँ छिपी होती हैं। कविता में कल्पनाओं को सुंदर रूप दिया जाता है। विद्यार्थी अपनी मनपसंद कविता पढ़कर कविता का आवरण पृष्ठ ए3 आकार की शीट पर बनाएँ।

● अनुक्रमांक 26 से 30 तक-

वर्ण भाषा की सबसे छोटी इकाई होती है, जिसे बोला और लिखा जा सकता है। वर्ण किसी ध्वनि (sound) को प्रकट करता है। हिंदी भाषा में वर्णों को स्वर और व्यंजन में बाँटा गया है। विद्यार्थी "स्वर संग्रह" स्कैपबुक बनाएँ। घर पर मिलने वाले चीजों (जैसे अखबार, पत्रिका, रैपर) से स्वरों से शुरू होने वाले शब्दों की कटिंग चिपकाएँ। हर स्वर के लिए 2-3 शब्द चिपकाकर सजाएँ।

● **अनुक्रमांक 31 से 35 तक-**

मुहावरे वे विशेष वाक्यांश या शब्द समूह होते हैं, जिनका शाब्दिक अर्थ न लेकर उनका प्रचलित अर्थ समझा जाता है। ये भाषा को सुंदर, प्रभावशाली और रोचक बनाते हैं।
विद्यार्थी 10 मुहावरों का चयन करें और उनके अर्थ के अनुसार ए4 आकार की शीट रंगीन शीट पर चित्र बनाकर समझाएँ।

● **अनुक्रमांक 36 से अंतिम-**

सुनो बच्चों खास बात, विशेषण देता नामों को साथ। बताए गुण, रंग या आकार, वाक्य में भर दे सुंदरता अपार।
अलग-अलग विशेषणों को उनके उदाहरणों के साथ रंगीन कागज़ पर लिखकर एक विशेषण चार्ट तैयार करें।

प्रश्न 2. लेखन व वर्तनी संबन्धी सुधार हेतु विद्यार्थी आठ सुलेख अभिव्यक्ति फ़ाइल में करेंगे।

प्रश्न 3. विद्यार्थी 'खिलौनेवाला' कविता को कंठस्थ करेंगे।

प्रश्न 4. विद्यार्थी 'अमीश त्रिपाठी' का 'अमृत भारत' और 'मनु भंडारी' का 'आपका बंटी' उपन्यासों का पठन-अभ्यास

व ज्ञान-वर्धन हेतु पठन करेंगे। ग्रीष्मावकाश के पश्चात् विद्यार्थियों को इनसे संबंधित कार्यपत्रक भी दिया जाएगा।

प्रश्न 5. सिक्किम की किसी एक जनजाति या लोक नृत्य (जैसे लेपचा या भूटिया) के बारे में 5 वाक्य लिखिए और

एक चित्र भी बनाइए।

प्रश्न 6. नीचे दिए गए चित्र के माध्यम से कविता निर्माण कीजिए :-

MATHEMATICS

General Instructions:

Holiday Homework will be graded.

- Activity 1 to be done roll number wise as per the given instructions.
- Activity 2 & 3 are compulsory for all.
- Date of submission: 04.07.24 (Friday)

1. PROJECT:

- Roll No- 1 - 5 : Smart park Working Model

Using different 3D shapes, design a smart park model that represents real-world structures like benches, slides, water tanks, and solar lights.

Link for reference : <https://pin.it/1c8vFWVt0>

- **Roll No- 6 - 10 : Multiplication Spinner**

Create a multiplication spinner to help practice and learn multiplication tables from 12 to 20 in a fun and interactive way.

Link for reference : <https://youtu.be/AevHNInx8HE>

- **Roll No- 11 - 15 : Flower Clock**

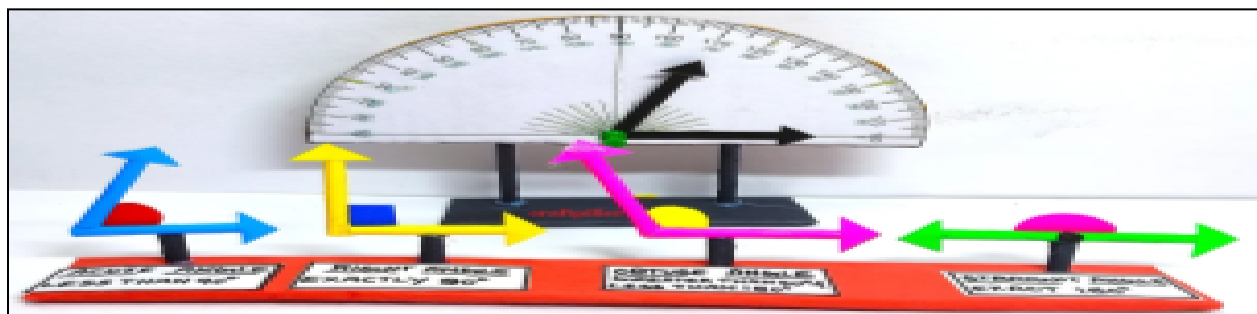

Design a flower-themed clock model to creatively learn and display the concept of time.

Link for reference : <https://pin.it/2OqZ2QIFf>

- **Roll No- 16 - 20 : Angle Measuring Tool**

Construct a protractor using cardboard or plastic, with a pivoting arm and degree markings. Use it to measure angles on different surfaces or in geometric shapes.

2) Learn Tables from **2 to 20** and write tables in maths activity file.

3) Practice mental mathematics assignments from page 3 to page 22.

EVS 1

General Instructions:

- Work should be done systematically as per the given instructions.
- Activity 1 is allotted roll number wise.
- Activity 2 and 3 are compulsory.
- EVS -1 Homework (Library Project) to be done in the first half of EVS Project file.
- Date of submission: Wednesday, 09-07-2025.

1. Make a 3-D model (preferably using waste materials) on:

- **Roll No. 21-24**

Solar eclipse and lunar eclipse

Link for reference <https://www.youtube.com/watch?v=HdkB63l3zuY>

- **Roll No. 25-28**

Layers of earth's atmosphere

Link for reference <https://www.youtube.com/watch?v=YYQVr7n1Uxo>

- **Roll No. 29-32**

Global warming

Link for reference <https://www.youtube.com/watch?v=I650NYRdyPk>

- **Roll No. 33-36**

Soil Conservation

Link for reference <https://www.youtube.com/watch?v=w0fuq40Hkng>

- **Roll No. 37-41**

Types of Energy (Solar Energy, Wind Energy, Geothermal Energy, Hydro energy etc)

Link for reference <https://youtu.be/bROfkBnAsMQ?feature=shared>

2. Create a colourful collage titled '**My Dream Garden**' on an A3 sheet. Decorate the sheet with pictures or drawings of your favourite flowers, vegetables, trees, and herbs. Label each one clearly and write how you would take care of them in your garden.
3. **Library Project: Explore the Seasonal Crops of India: Rabi and Kharif.**

India grows many types of crops in different seasons. These crops are mainly divided into two groups — Rabi crops, grown in the winter season, and Kharif crops, grown in the rainy season. Explore and gather information about these seasonal crops and write the following points in your library project file showcasing the following points:

- Three examples each of Rabi crops and Kharif crops.
- Indian states that are leading producers of Rabi and Kharif crops.
- Importance of these crops in our daily lives.

Include interesting facts, colourful pictures and clear explanations in your project. The project should be handwritten only.

EVS 2

General Instructions:

- **EVS-2 Homework (Library Project) to be done in the second half of EVS Project file.**
- **Activity 1 and Activity 2 are allotted roll number wise.**
- **Activity 3 is compulsory for all.**
- **Work should be done systematically as per the given instructions.**
- **Date of submission: Friday, 08-07-2025 (Tuesday)**

1. **“Embracing Nature: Our Responsibility to Protect and Preserve”**

Nature is the lifeline of our planet. Forests, rivers, mountains, and animals form a delicate web that supports all life, including ours. As humans, it is our responsibility to respect, protect, and live in harmony with nature. Through this poster/infographic, we aim to spread awareness about the importance of nature and simple ways to preserve it.

Design a poster on an A3 sheet on the following topics

- **Roll no. 1-13 : Ways to protect nature**
- **Roll no. 14 - 26 : Flora and Fauna of Sikkim**
- **Roll no. 27 and onwards : Sacred groves of India**

Creative Touches:

- Draw a big tree at the center with different facts on its branches.
- Add small earth drawings, plants, animals, and water drops around.
- Use green, blue, and earthy colors for a natural feel.

2. **Make a 3-D model (preferably using waste materials) on:**

- **Roll no. 1-5**

Model on **Our Resources (Renewable and non-renewable)**

- **Roll no. 6-10**

Model on **Three Rs (Reduce, Reuse and Recycle)**

- **Roll no. 11-15**

Model of **Earth i.e. Globe showing important parallels and meridians**

- **Roll no. 16-20**

Model on **Natural Disasters (Floods, Droughts, Landslides etc.)**

3. Library Project : Explore the wonders of the Democratic Republic of the Congo

Situated in the heart of Africa, The Democratic Republic of the Congo is often referred to as ‘The Land of Dense Forests’ due to its vast expanse of lush greenery and rich biodiversity. Explore and gather information about the richness of this amazing country and prepare a library project showcasing the following aspects:

- The Democratic Republic of the Congo - its location, climate and vegetation
- Wildlife in the Democratic Republic of the Congo, economic resources and transport system.
- Life of the people in Democratic Republic of the Congo.

Include interesting facts, colourful pictures and clear explanations in your project. The project should be handwritten only and it should consist of 5-6 pages.

Refer to Ch-6 ‘The Land of Dense Forests’ of the EVS 2 textbook.

COMPUTER SCIENCE

General Instructions:

- **Activity 1 is compulsory for all**
- **Activity 2 is allotted Roll number wise.**
- **Kindly upload your entries for Activity 1 in the Computer Google Classroom by 02-07-2025 & Activity 2 to the subject teacher by 3-07-2025**

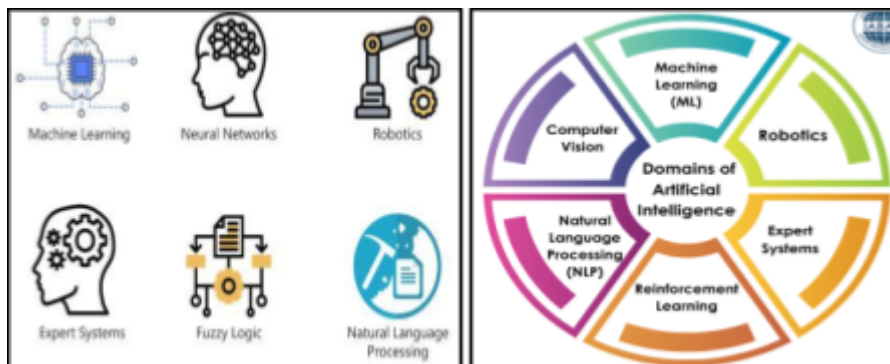

1. **Design a PowerPoint Presentation** on the topic “Artificial Intelligence” How AI is helpful in daily life by showcasing AI applications, using different features of **MS PowerPoint Application. (Minimum 5 slides).** .
 - Students can include images, interesting facts to make their presentation engaging and informative.
2. **Project Making : Design a Model on the given topic.**
 - **Roll No- 21 to 25**
Different types of Printers Like Laser, Ink-Jet, Dot Matrix Printer etc.
Link for reference : <https://youtu.be/OCIplUX2TJ4?si=rl7M6GjcOtGVNVrg>
 - **Roll No- 26 to 30**
Evolution of Communication Technologies - from ancient times to the present day.

● **Roll No- 31-35**

Different **types of Computers on the basis of size** like Superframe, Main frame, Mini, Workstations and Personal computers.(Roll No-35 to 37) Link - <https://youtu.be/ObYkMvmunpk?feature=shared>

● **Roll No 36 Onwards**
Domains of AI.

ART AND CRAFT

General instructions:

- Do your work neatly
 - Compulsory for all
- Date of submission: Friday,11.07.2025**

1. It's time to learn art book pages:

Page no:-23- Collage making

Page no.34 – Let's do file covers

Page no 37 – Lets do tissue leaf art

Page no 53 – Beautiful decorative bunting

2. Sketch File Topic: - world environment day poster

3. Craft activity: Pebble art that reflects Sikkim can be a beautiful tribute to the state's natural beauty, spiritual heritage, and cultural richness. Here's an in-depth look at how pebble art can be designed to represent and honor **Sikkim**.
