HOLIDAY HOMEWORK (2025-26)

Preface

Summer break is a valuable time for students to unwind, explore their passions, and embark on new adventures. This break represents more than just moments of leisure; it serves as a pivotal opportunity to strengthen learning, spark creativity, and deepen understanding. With this purpose in mind, the holiday homework has been thoughtfully framed by the teachers into two complementary segments, each aimed at enriching the student experience.

The first section, *"Unleash Your Imagination: Creative Projects for the Holiday Season,"* invites students to dive into projects that encourage artistic expression and innovative thinking. This is a chance for them to not only showcase their talents but also to present their viewpoints in unique and inspiring ways. Selected works from this section will be featured during our school's annual exhibition, celebrating the artistic achievements of our students, fostering a sense of community, and motivating peers through creativity. Our goal is to cultivate an atmosphere that recognizes and nurtures the diverse abilities of each student, encouraging them to embrace the potential within themselves.

The second section, *"Mastering the Concepts: Reinforce Your Learning during the Break,"* is crafted to ensure that academic foundations remain strong. The designed assignments will reinforce the learning and tackle key concepts and skills acquired helping students fill any gaps with confidence.

By blending creative exploration with academic reinforcement, we empower our students to engage fully in their development, fostering both their creative and intellectual growth.

We hope all students will approach their holiday homework with enthusiasm and a spirit of discovery, knowing that every project completed is a step towards personal growth and confidence.

We also encourage parents to play an active role in this journey—your support is crucial in nurturing curiosity, instilling a love for learning, and fostering strong bonds with your children. Together, let us embrace this summer as an opportunity for joy, connection, and limitless growth.

May this season be filled with memorable moments, enriching experiences, and the promise of new beginnings.

Enjoy every moment of this well-deserved break!
